A blunder is valuable if profit-  
ed by.

A moral wrong can not be  
made legally right.

Satisfaction with self is not al-  
ways sanctification.

All play and no work makes  
Jack a shiftless boy.

It is very exciting to kiss a girl  
before you get ready.

A woman's smile is more dan-  
gerous than her frown.

Occasionally you meet a man  
who borrows of his failures.

Laugh at yourself and the  
world laughs with you.

A mustache once down isn't  
necessarily down for ever.

He who is chased by a dog is  
apt to bark his shins.

Solitary and alone, a hotel  
landlord is a host in himself.

There is often a lot of dirt  
alley to front porch religion.

This would be a thankless  
world if we got what we deserve.

There is usually a wasp-like  
sting to premeditated smart say-  
ings.

She is a wise girl who is known  
by the company she declines to  
keep.

It would be strange if the com-  
pany a man keeps didn't know  
him.

Lives of great men all remind  
us how easy it is to be a small  
man.

Money doesn't sit around on  
empty dry-goods boxes when it  
talks.

A new political broom sweeps  
clean. It is necessary to raise  
the dust.

It is much easier to tell the peo-  
ple how to do things than it is to  
show them.

The independent voter is the  
best anti-toxine for the graft mi-  
crobe.

It takes brains to get through  
the world—also to go around on  
the outside.

Stern realities of life confront  
the man at the tail end of the  
procession.

Dreamers make the world  
brighter and workers make the  
world better.

The man who wants an excuse  
for wrong-doing never has to  
wait long for it.

There is something wrong with  
a man if his religion makes a  
pessimist of him.

America's early settlers are  
those who pay up promptly the  
first of each month.

An average girl is never satis-  
fied until she acquires a son-in-  
law for her mother.

Most people's remedy for do-  
ing what they oughtn't to do is  
to do it over again.

It is hardly ever of any use to  
try to convince a woman by  
showing her the reason for it.

Usually when a man reaches  
the turn in the lane he finds that  
it turns in the wrong direction.

When a man looks for the  
worst in life he has himself to  
blame if he fails to see the good.

Men have spent fortunes before  
they discovered the difference  
between pleasure and happiness.

A girl can stand having the  
weather make her feet cold if it  
gives her a nice, rosy com-  
plexion.

A man wants to drink to cele-  
brate the arrival of the first child  
and to console him for the arri-  
val of the fifth.

Nothing pays such a big divid-  
end as a little investment for  
the purpose of making a child  
happy.

Instead of seeking the man the  
office is kept busy trying to pick  
him out from the crowd of appli-  
cants.

Trusts must go. A Cincinnati  
man has been forced to beg be-  
cause they closed a factory in  
which his wife had a job.

We learn from the Democrat  
that the corn contest of the  
Salisbury Coal Co. was decided  
Wednesday morning. William  
Keller got the prize for the best  
dozen ears of yellow corn and  
Thomas Lesley had the best  
dozen ears of white corn. Each  
of the two gentlemen received a  
ton of coal, which was the prize  
offered.

Now is the time to guard the  
health and strength of the lungs.  
The best remedy to use for  
coughs and colds is Bee's Lax-  
ative Honey and Tar. The only  
cough syrup that does not con-  
spicate the bowels, but which, on  
the other hand, expels all cold  
from the system by acting as a  
pleasant laxative. Best for  
coughs, colds, croup, whooping  
cough, etc. Sold by Dempsey  
& Schell.

## Caution.

This is not a gentle word—but  
when you think how liable you  
are not to purchase the only  
remedy that has had the largest  
sale of any medicine in the world  
since 1868 for the cure end treat-  
ment of Consumption and Throat  
and Lung troubles without losing  
its great popularity all these  
years, you will be thankful we  
called your attention to Boschee's  
German Syrup. There are so  
many ordinary cough remedies  
made by druggists and others  
that are cheap and good for light  
colds perhaps, but for severe  
Coughs, Bronchitis, Croup—and  
especially for Consumption,  
where there is difficult expector-  
ation and coughing during the  
nights and mornings, there is  
nothing like German Syrup.  
The 25-cent size has just been  
introduced this year. Regular  
size 75 cents. For sale by H. M.  
Sigloch.

The man who is always boast-  
ing of his readiness to fight for  
his rights is usually trying to  
make people believe that some of  
his wrongs are right.

The reason Dr. Dade's Little  
Liver Pills give perfect satisfac-  
tion is due to their tonic effect  
on the liver. They never gripe.  
Sold by Dempsey & Schell.

The Roberts & Schaffer Co.  
has purchased 30 acres of land  
near Keota, and is preparing to  
build a large plant for manu-  
facturing slack coal into fuel a-  
briquettes. These are made by  
a system of washing the slack  
coal, removing from it all im-  
purities and then compressing  
same into solid blocks of con-  
venient size. The briquette  
are said to make a splendid fuel  
and the process will utilize a  
large amount of the product of  
the coal mines which at present  
is largely wasted.

Pine-salve is the best Salve for  
sores, burns, boils, tetter,  
eczema, skin diseases and piles.  
Sold by Dempsey & Schell.

According to the Press-  
Spectator little Margaret Vincent  
of Salisbury has a kitten named  
Lucy. Now there is nothing re-  
markable about that, but yet  
Lucy, is a remarkable cat. She  
will take her milk from a bottle  
only. When the bottle is ready,  
Lucy who watches every move-  
ment with intense interest, throws  
herself on her back and holds  
out her hands and feet for it.  
She takes the bottle in her fore-  
paws and tilts it up with her  
hind ones, then with the nipple  
in her mouth she makes a deli-  
cious meal with skill and satisfac-  
tion.

Any one suffering from Kidney  
pains, backache, bladder trouble  
or rheumatism who will take a  
dose of Pine-ules upon retiring  
at night shall be relieved before  
morning. Sold by Dempsey &  
Schell.

Clyde Hollenbeck, a lad of 14  
was arrested Wednesday for  
appropriating a pocket-book  
belonging to Mrs. Rosalie Brown  
of Macon. Mrs. Brown said  
she was driving along the high-  
way and the lad was behind her  
in a hay wagon and that he  
turned into a field. She soon  
afterwards discovered she had  
lost her pocket-book and, sup-  
posing it had fallen on the road,  
concluded from his action that  
young Hollenbeck had found it  
and had taken the money. The  
boy protested his innocence, and  
unless Mrs. Brown is strongly  
fortified with proof it is very  
likely she will be subjected to  
prosecution for false arrest.

It is a sin to suffer with back-  
ache and pains over the Kidneys  
when a single dose of Pine-ules  
will give relief in one night.  
Suffering women should heed  
these warnings ere it is too late.  
Female troubles may result.  
Pine-ules will strengthen the  
Kidneys and bladder, cleanse  
the blood and relieve the aches  
and pains of Neuralgia and  
Rheumatism. Sold by Dempsey  
& Schell.

## The Backbone of a Mighty Nation

is good food—food for brain, food for brawn, food that is  
strengthening, that gives energy and courage. Without a proper  
appreciation of this great fundamental truth no nation can rise  
to greatness.

As an article of food, soda crackers are being used more and  
more every day, as is attested by the sale of nearly 400,000,000  
packages of **Uneeda Biscuit**, which have come to be recog-  
nized as the most perfect soda cracker the world has ever known.

And so **Uneeda Biscuit** will soon be on every table at  
every meal, giving life, health and strength to the American people,  
thus in very truth becoming the backbone of the nation.
